

Band & latch aluminum pipe with Rainbird sprinklers (used)

Approx 30 joints 3" x 30' or 900 ft with one Rainbird sprinkler per pipe. New gaskets may be required. Price of new 3" x 30 ft is \$300 (\$10/ft) plus \$15-25 for each Rainbird sprinkler and riser. My used price is \$ /joint. Sold "as is" FOB Nutrioso, AZ.

			
1. 3" band & latch with Rainbird on riser		2. 3" band & latch	
			
3. 3" band & latch			

3-Acre System. Aluminum pipe, band & latch, 4" mainlines, 3" laterals with sprinklers (used)

Used aluminum pipe, above ground moveable sprinkler pipe system covering approx 3 acres, band & latch handles up to 50 psi, Valve Opening Elbows join 4" mainline to 3" laterals, each 3" pipe has one brass Rainbird sprinkler on a riser; extra sprinkler nozzles and misc parts.

- 91 joints. 3" x 30' = 2730 ft – each joint has 1 Rainbird sprinkler on riser
- 47 joints. 4" x 40' = 1880 ft – some joints have stub for valve opening elbow
- 3 joints. 4" x 20' = 60 ft
- Total 4760 ft

One Rainbird with 5/64" nozzle at 50 psi supplies 1.8 gpm, so 90 Birds will supply 162 gpm without closing any VOE. New gaskets (\$2-5/each) may be required. Joints have dents and scratches. Price of new 30 ft x 3" B&L pipe is \$350 plus \$15 for each riser and sprinkler or \$365 (\$12/ft). Price of new 40 ft x 4" B&L pipe is \$450 plus VOE stub (\$12/ft). Price of new 4" Valve Opening Elbow \$250/each. Price of my complete 4760 ft B&L system with VOE is approx \$60,000. My used price is \$\_\_\_\_\_. Sold as a system in "as is" FOB Nutrioso, AZ.
